

Free Trial for icthomework.com

If you represent a UK based school, you can request a free month's trial to evaluate icthomework.com. The trial can be tailored to suit your particular requirements:

You may wish to trial the site with just one or two teaching groups; with a whole year group; with the whole of your KS3 cohort; or with all the students in your school.

You can request a free trial by completing and sending in this Free Trial form.

After requesting your free trial, you will need to send us the login data for your staff and students. This data will be removed from our servers at the conclusion of the trial, unless you choose to continue by taking out a subscription to the site.

Details of the data that are required and how the data should be prepared are available at the following web address:

<http://www.icthomework.com/content/data.php>

We will endeavour to have login accounts in place within 24 hours of receiving your data.
